

MAR 28 1950

Honorable Jennings Bailey
Judge of the District Court of the United
States for the District of Columbia
Washington, D. C.

Dear Judge Bailey:

STATINTL

[REDACTED] who is employed by this Agency, has received notification of his selection as a juror for the District Court of the United States for the District of Columbia, to appear in Criminal Court No. 2 on Tuesday, 4 April 1950.

It is the expressed policy of this Agency to encourage jury service wherever possible and to request postponement only in those instances where it is apparent that the absence of the individual from his duties will impair the operations of the Agency in a substantial manner.

STATINTL

[REDACTED] is presently engaged in conducting a special audit of some of the more vital and sensitive functions of this Agency. Mr. [REDACTED] is engaged as our Chief Auditor of this audit project and no equally qualified auditor is immediately available to continue or substitute for him. It is, therefore, our considered opinion that the absence of [REDACTED] would seriously interfere with the ability of this Agency to complete the special audit project which is critically required at this time.

STATINTL

STATINTL

We, therefore, respectfully request a postponement of jury duty for [REDACTED]

STATINTL

Sincerely yours,

"SIGNED"

[REDACTED]
Executive
